

## OZ Company Profile

OZ FILM is an independent production company, founded in Bari in 2002 by Francesco Lopez, that is engaged in producing film and audiovisual projects for the national and international market.

Oz Film, in close co-operation with Apulia Film Commission, is a reference point for all national and international productions that decide to shoot in Apulia.

It has already produced feature films, short films, documentaries, TV series, shows and commercials.

Thanks to recent educational projects the production company has got in 2011 a *Special Thanks* from Save The Children Italy in the book *Just – Juvenile Justice*.
